

CLAIRE'S COURT
Nursery School

Weekly Bulletin

14 June 2024 (Summer Term Week 8)

With the arrival of the caterpillars which the children are watching grow, they have been learning more about butterflies and other minibeasts.

A dragonfly

Forest School

The children went off to Forest School this week, each wearing a crown. Mr P (who also was gifted one), helped to decorate them with leaves, flowers and other natural materials.

Bumble Bees

They continued their theme with more focus on butterflies this week.

And of course there is always time for exploring other activities, whether it is role play or colour and shape exploration.

Next Week

- Bumble Bees - We're Going on a Bear Hunt
- Busy Bees/Beehive - weather

Other information

You will have now received letters about up and coming events or trips. Please find the links to these letters below.

- Summer Concert letter - [here](#)
- Sports Day letter - [here](#)
- BCA Zoo trip - [here](#)

We were pleased to be able to share with you via email the other day, the class photos which Chris Rowan took. I am resharing the link with you but due to security you will need to refer to the original email, which has the code, in order to view the photos. See link [here](#)
