FROM THE OFFICE

PrimeVR Visit

The Upper Juniors were taken underwater, to space, into the rainforest and came face to face with a lion and a tarantula during our VR days, this week. They were amazed by the sights they could see from just sitting in the mezzanine. An amazing experience that has given them lots to talk and write about in Science and English.

Birds of Prey Visit

Alan the Birdman came to visit with his Barn Owl, Harris Hawk, and amazing Bald Eagle, Alaska. He told the children all about how they hunt and where they live and got them to fly around the sports hall. They were enthralled!
