# Weekly Bulletin

## 6 September 2024 (Autumn Term Week 1)

A very warm welcome back to you all. Although what a wet one!!

It has been wonderful to see all the children back and jumping straight back into their routines with smiles on their faces. We have some new families who have started with us and I am sure we will all join together in welcoming them.

This term, the children will have lots of focus on specific books. You will be able to see these on the curriculum statements which are below. However, as we know, the children love to be creative with their play and there will be lots of 'In the Moment' topics and activities which the children will explore. This is what makes our setting so special; the opportunity for individuality and exciting exploration.

If you will be requiring wrap-around care, please use the portal to book your children in. Please click [here](#) for the link to our portals. To book wrap-around care, you will require the 'Report Portal'. You will have received your login and password to access the portal. If you have any problems still accessing it, please feel free to contact me, and I will show you.

If you know you will have the same every week, you will only need to do it once and it will stay on the system.

If you require emergency wrap-around care, please contact me as soon as you can so I can plan staffing accordingly. [tda@clairescourt.net](mailto:tda@clairescourt.net)

Our Forest School sessions will start on Wednesday 18 September. Please see [here](#) the letter which was shared with Busy Bees and Beehive parents.

The Nursery parent curriculum statements were also sent out to you this week. These show you the topics your children will be looking at each week. There are also term dates on there too. NBB/NBH - [here](#) NBM - [here](#)

On Friday 13 September, Mrs van Niekerk, our Holiday Club Lead, will be sending out information and booking options for our October half-term holiday club.

Wishing you all a lovely weekend.
