NURSERY Words

28 February 2025 (Spring Term Week 7) - **SENT 3PM 28.02.28**

Principal's Blog

Read Mr Wilding's latest blog: <u>"Special Report: Navigating AI</u> Relationships".

The children's weekly focus has been routes and maps. They have studied local and world maps to begin to understand where they are in relation to the rest of the world.

PE was the chance to talk about routes and direction again.

This week's forest school objective was to create furniture with natural materials. However, the children discovered they could create their own mudslide and this became the centre of the fun.

With a little bit of sun making an appearance, the children enjoyed some mark making outside.

Bumble Bees have been talking about their families and their homes. They were really excited to discover photos of themselves and their families hiding in the tuff spot.

Next week..
Bumble Bees - People Who Help Us
Busy Bees/Beehive - Volume
